

## ANNOUNCEMENT

Dear Alumni,

Teachers' Day Celebrations will be held on **Thu, 31 Aug 2023**.

You may visit after 10.30 am when the celebration officially ends as our teachers and staff would then be available to meet up with you in the school canteen.

To avoid not being able to catch up with your favourite teachers and staff to reminisce and show gratitude, please contact them earlier to inform that you are coming before heading to school.

As guests of the school, we will appreciate if you remain in the school canteen at all times unless you are chaperoned by a teacher or staff to other parts of the school and then back to the canteen.

You may also show your gratitude and appreciation through email.  
(Refer to our ***School Website > About Us > Our People*** for staff email addresses)

Your support and love for our beloved teachers/staff is deeply appreciated.

***Happy Teachers' Day to all!***
