Dear Parent/Guardian

Warmest greetings to you. Time flies and we are now in the fourth and last term for the year. This term marks the last stretch for the year with the N-Level Examinations having started on the 1<sup>st</sup> day of the term itself followed by the O-Level Examinations in October. With the Semestral Assessment (SA2)<sup>1</sup> commencing from 27 Sep, this would also be a period where our students would bring forth their self-directedness and exercise what they have learnt and cultivated through our school's Habits of Mind (HOM) programme, especially the dispositions of:

- Persisting – Remaining focused and not giving up when faced with difficulties in their studies;
- Managing Impulsivity – Reading instructions and questions carefully at the start of examinations; and
- Striving for Accuracy & Precision – To be exact and precise, checking their work, especially examination papers again before submission.

2. Accolades of our students as well as Ex-BBSSians continue to pour in for us to share this term (*Annex A* provides additional details, if any, of these achievements):

<sup>1</sup> The Semestral Assessment (SA2) Schedule was given out as the last annex with the Term 3 Principal's letter dated 27 Jun 2018. This letter together with the schedule can be downloaded from the BBSS website via <http://bukitbatoksec.moe.edu.sg/our-partners/parents>.

3. I would like to take this opportunity to share about our ex-BBSSian, Ho Shu Hao, Darren, 4T1 (2010). Darren is currently in Year 3, studying for his Diploma in Business Information Systems in the School of Infocomm (SOI), Republic Polytechnic (RP). His achievement of a GPA score of 3.8 and being placed 2nd in his course in Year 1 marked his potential to make it to a university. Little did we know that he could top that with a perfect GPA score of 4.0 in Year 2! On 17 Aug 2018, at the SOI School Awards Ceremony, he received 2 Module Awards and a RP Scholarship for his excellent academic achievements. Mr Syam, HOD/NT, was at the ceremony in support of Darren's proud moments. At 24 years of age, he is a testimony to the HOM disposition of Persisting since taking the ITE route and completing his Full-time National Service (NS) before enrolling in RP. Since last year, he has been coming back to school to share his experiences and inspire our NT students, a prime example of a grateful individual who would, and is willing, to give back to his alma mater for moulding him and starting him on his successful journey. The school wishes him the very best in his future endeavours and would continue to engage him as a faithful alumni.

4. Teachers' Day was celebrated in school on 30 Aug with the students putting up a concert for our teachers and staff in appreciation of their love, efforts, care and concern for them. It was heartening to receive a letter of gratitude through Mr Murali Pillai, MP for Bukit Batok SMC, from a parent to our school for the care, concern and financial aid rendered to her child, a troubled transfer student last year who has grown into a happy, confident, passionate and disciplined student with marked improvement in his studies. Our teachers and staff deserve a big THANK YOU for living out the school's mission to nurture our students to be self-directed learners with abundance mentality and for bringing out the best in every child.

5. This term, as we prepare your child/ward for the upcoming school examinations, we would really appreciate it if you would partner us in closely monitoring your child's/ward's work and revision schedule so that he/she will be sufficiently prepared for the examinations. In doing so, we would like parents/guardians to remember to **encourage and affirm** your children/wards for their efforts so that they will live up to our motto of "Be Our Best". In this trying term, be mindful that **encouragement and affirmation** that they are doing their best would help more than breathing down their necks. It may take a mindset change for some of us, but it would go a long way in building good parent-child relationship. With this, we wish your child/ward the very best.

Thank you very much.

Yours faithfully

Mr Phua Huat Chuan  
Principal
