- You are advised to maintain good time management. You should not spend too much time on a few questions and leave no time for others. You are expected to remain in the examination room/hall for the whole duration of the paper.

- 27 All answer scripts should be tied together at the top left hand corner with the string provided. If writing paper is used, these should be arranged in the numerical sequence of the questions, with the smallest number on top.
- 28 You should remain seated at your respective desks while your answers scripts are being collected.
- 29 You must not remove any examination material and stationery without permission. These can include:
  - Any answer booklet, writing paper, storage devices and other used or unused exam stationery from the examination venue.
  - Any coursework material/artefact from the examination centre without seeking prior approval from exam personnel.
- You will not be allowed to go to the toilet during the examination unless it is an urgent case. You may be asked to empty your pockets upon returning to the examination venue.
- 31 If you are absent during the examination, you must produce a valid medical certificate immediately when you return to school. Letters from parents and medical certificates issued by Traditional Chinese Medicine (TCM) practitioners will not be accepted. If you are absent for the examination without a valid reason, you will be awarded a 0 mark for that paper.
- 32 If you fail to comply with any of the abovementioned rules and regulations or any other additional instructions issued by examination personnel for any specific examination paper or subject, you would be deemed to have breached the examination rules and regulations. As a result, you may:
  - Be awarded zero mark for the paper;
  - Be expelled from the examination premise;
  - Be refused entry for subsequent papers.
